3. Provide spiritual growth opportunities for staff and students through daily devotions, prayer and appropriate participation in weekly chapel services.
4. Support, encourage and edify the school community.

Administrative Responsibilities

1. Assess student work and record an adequate number of grades per subject in a timely, efficient manner.
2. Record student grades in gradebook
3. Report student attendance

Academic Responsibilities

1. Conduct on-going personal review of the curriculum for any deficiencies.
2. Participate in departmental/grade-level meetings for the purpose of reviewing and assessing curriculum and scope and sequence.
3. Prepare lesson plans to carry out the educational and curricular objectives set forth by the school.
4. Provide individual academic support for successful learning within the boundaries of the established curriculum.

Staff Responsibilities

1. Serve as duty teacher before or after school, at lunch and between classes as assigned by the administration.
2. Participate in in-service and staff development opportunities as requested by the administration.
3. Teach bell-to-bell and assess your students' academic needs/success continually.

Education and Experience

1. A Bachelor's Degree is required
2. If no State Teaching Certificate is held, the applicant will be required to complete ACSI certification upon employment (offered through Faith Academy's professional development program)

I have been crucified with Christ and I no longer live, but Christ lives in me. The life I now live in the body, I live by faith in the Son of God, who loved me and gave himself for me.

-Galatians 2:20
