From Ms. Guardia.....

The Living Wax Museum

Miss Brittany Guardia's third grade social studies class recently hosted a walk-through "living wax museum" exhibit! This exhibit showcased heroes of both American and World History including Alexander Hamilton, Clara Barton, Albert Einstein, Laura Ingalls Wilder, and Benjamin Franklin! The 3rd graders greatly enjoyed hosting this incredible event highlighting their reading, researching, writing, and social studies skills, and were so happy that so many people were able to join them in celebrating their historical heroes!

Cover page group photo:

CLASSROOM OBSERVATION DAYS FOR PARENTS SPRING SEMESTER 2025

Things you should know:

- There are **15** observation days in the spring semester
 - **May 9** is the last day to observe
- The following days are not available for observations:

Fri-Mon, April 18 & 21 (Good Friday & Easter Monday)

Mon-Fri, April 28-May 2 (IOWA Testing for JH & Elementary)

Mon-Fri, April 28-May 2 - Observation in EEC & HS is ok

Iowa Assessments Testing

The Iowa Test is an achievement test used to assess student learning in reading, language, math, science, and social studies.

Kindergarten through 8th grade students will test Tuesday through Thursday, **April 29, 30, and May 1**, from approx. **8:00 to 11:00 AM**.

Friday, May 2, will be used as a make-up test day.

Please refrain from making any morning appointment for your child on these days.

Classroom observations on testing days for students K-8th should only be planned after lunch.

A small snack will be provided each day. Students should bring a water bottle daily.

Lunch will be served as usual.

Test Taking Tips for Students (& Parents)

Get a good night's sleep. Being rested helps you think more clearly.

Eat a healthy breakfast to sustain your energy. Avoid sugary goods that can give you're a rush of energy but will wear off quickly, leaving you feeling tired.

Drink plenty of water. If possible, bring a bottle of water with you on test days.

Listen carefully to your teacher's directions.

Pray for guidance.

Give thanks to God for your abilities.

Remember that God has a purpose and is with you always providing never-ending love and grace.

CHAPLAIN'S CORNER

Dear Faith Family,

As we round the corner and head for home this school year, it gets busy and the “process” of school might be becoming laborious. Life can prove difficult; family, blended family, extended family, work, health or financial struggles-or both. Does it ever feel like your life will not settle down? If you have a minute, read Psalm 13:1-6 and use the suggestions David gives when finding himself in times of crisis.

Keep Going
Psalm 13:1-6
Nicky Gumbel

David's example suggests four things that you should *continue to do* during difficult times:

Keep praying

David continues to cry out to God, ‘Look on me and answer, O Lord my God. Give light to my eyes’ (v.3). He *pours out his heart* to God. Don't give up praying even when God seems far away.

Keep trusting

‘But I *trust* in your unfailing love’ (v.5a). ‘I’ve thrown myself headlong into your arms’ (v.5a, MSG). It is relatively easy to have faith when things are going well, but the test of faith is when things do not appear to be going well.

Keep rejoicing

He does not rejoice in the trials, but in God's salvation. He says, ‘my heart *rejoices in your salvation*’ (v.5b). ‘I’m celebrating your rescue’ (v.5b, MSG).

Keep worshipping

In spite of everything he has been through, David is able to see the goodness of God: ‘I will *sing* to the Lord, for he has been good to me’ (v.6). He remembers all that God has done for him.

As you begin to praise and worship God, it brings perspective to your problems. Sometimes, I find it helpful to look back on my life and thank the Lord for bringing me through so many of my own personal struggles, disappointments and bereavements, and to remember how, through it all, ‘he has been good to me’ (v.6).

Lord, I worship you today. Thank you for your goodness to me. For all the battles ahead, I trust in your unfailing love.

Praying that the God of Peace be in all the pieces of your life,

Amy Catlett, Chaplain

FROM MR. THOMPSON..... 5TH GR SCIENCE FAIR

Fifth Grade students explored different scientific concepts, identified biblical truth within their experiments, and shared their learning with others on Friday, March 28th at our Elementary Science Fair. Experiments ranged from how to find out your dog's favorite toy, what is the best way to wash wooden spoons, and which is the best packing material.

All experiments were very well done and clearly showed the hard work that our 5th graders put into them. We definitely have a group of up and coming scientists at Faith Academy Elementary.

Top places for the fair were:

3rd place - "Is the 5 second rule true?" by Shelby Poulter

2nd place - "Is my brother's room dirtier than mine?" by Avery Fullen

1st place - "What colored light makes plants grow the best?" by Aimee Duplantis
