The Knightly News

August 8, 2025

Summer is officially coming to a close, and the excitement of a new school year is upon us!

Before students even arrived on campus, Faith Academy Bellville was alive with purposeful activity, preparing for another outstanding year of academic excellence and spiritual formation starting August 13.

Leading up to in-service and the first day of school, many Faith Academy staff spent the summer hard at work planning for the new year. Our Registrar has been busy enrolling nearly 80 new students who will join the growing Faith Academy student body this year. Our Human Resources team also worked tirelessly to recruit and carefully select 13 exceptional new teachers and staff, each chosen to bring outstanding expertise and dedication to serving our students.

From boxes of brand-new books to fresh learning materials, the Faith Academy receptionists have been accepting deliveries throughout the summer as the Curriculum team ensures our students are equipped with everything they need to thrive this new school year.

The Operations and Security staff work diligently throughout the year and all summer to protect our students and staff and maintain our beautiful campus. They've been hard at work all around campus, setting up new classrooms, building a new structure to securely store the school vehicles, and overseeing many other essential tasks to prepare Faith Academy for students. The Security staff also implemented an upgraded security system to ensure the safety of our students and staff.

We ushered in August with an in-service week, where we welcomed 13 new teachers and staff members. Our generous Events team began the week with a delicious potluck breakfast spread, fellowship with colleagues, and prize giveaways.

After a welcome from Executive Director John Conley, our souls were fed with worship and devotionals led by our worship team and chaplain. The week was well spent planning and decorating, with time set aside for various training, devotionals, support for one another, and grief share counseling.

With excitement in the air, we welcomed students back to campus.

Cont. next page

The Knightly News, cont.

The newest classes of kindergarteners stepped into the elementary school, perhaps with anticipation for what was to come this new school year. At our annual Kinder Camp, students met their teachers, took a look around their new classrooms, and made new friends. It was a precious start to the year for the newest elementary students.

Parent Kick-Off Night for K-12 was a huge success as elementary, junior high, and high school students reunited with friends, learned their new schedules, and gathered information on the Night of Knights Kubota raffle, the FALCON Center, Volunteering, and much more. Our littlest Knights in the Early Education Center (EEC) came to the EEC Parent Kick-Off with bright eyes, ready to play and learn. It was wonderful to have so many parents and students back under the Faith Academy roof.

Our football, volleyball, and cross country teams have all been putting in the work to show off their skills this Fall sports season. Varsity football kicks off August 30 in an away game against Allen Academy. Our high school volleyball team starts the season by hosting a tournament at Faith Academy on August 15-16. Cross country will be off to the races in August with meets in Sealy, Schulenburg, and at St. John XXIII College Preparatory. The cheerleaders have also been preparing to lead us on as we cheer on all of our Knights athletes this season. Shields Up!

We have done all that we can to prepare, and we pray that God continues to support and love Faith Academy, teachers, staff, students, and their families in this new school year.

Welcome Back! Notes from the Nurse...

Please familiarize yourself with School Health Policies

- Found in Student/Campus Policy Handbook via school website under Resources or FAB app under Policies
- Pages 14-20, Section 4.02

Student Medication

- Students may not self carry any medication.
- Medication will only be administered after written instructions are provided or direct communication with Nurse
- Please utilize Magnus or FAB Medication Authorization Forms

Fever Policy

- Students with a temperature of 100 degrees or above will require them to be sent home.
- May return to school when fever free (less than 100 degrees) for 24 hours without the use of fever reducing medication.
- If a child has a fever at home prior to the start of school, we ask that they remain at home and follow the 24 hour policy.

Vomiting/Diarrhea Policy

- In an effort to keep every child protected, any child who vomits or has diarrhea will be sent home and should remain home until they have not vomited or had diarrhea for a full 24 hours without the aid of medications.
- If a child vomits or has diarrhea prior to the start of school, we ask that they remain at home and follow the 24 hour policy.

Welcome Back! Notes from the Nurse...

Online Student Medical Records

- Please log in yearly and update your student's health information in Magnus Health, accessible from FACTS and the mobile app.
- Important health information such as Allergies, Medications, and specific health action plans can be entered here
- On-campus medical incidents, medication administration, and nurse visits are recorded here
- Immunization forms can be uploaded after doctor visits to update records
