## HOME OPENERS BRING THE KNIGHTS AND LADY KNIGHTS BACK IN ACTION

---

The Faith Academy Bellville (FAB) Knights and Lady Knights conditioned all summer with one thing in mind: this season's home opening games under the FAB field lights and at the Beth Keaton Gymnasium. Last week, they got their chance. The Knights Varsity Football team began the season against the Emery/Weiner School, and after just coming off another volleyball tournament, the Lady Knights hosted their annual three-day tournament.

### **Varsity Knights Football Returns to Six Man Action**

*The FAB Knights Varsity Football Team is stacked with leadership and ready to battle this season.*

The Knights fought a competitive non-conference football match against Houston's Emery Jaguars on the gridiron. In a high-scoring six-man contest, the Jaguars edged the Knights 48-32, but the Knights are already looking ahead as they travel to College Station to take on Oakwell Academy.

FAB Athletic Director Jon Waldrop said the varsity football team is stacked with experience and leadership, which will help it grow and develop as a team this year.

"We really expect our senior leaders at the high school to have a big year. We have four guys who have gotten playing time on varsity since their freshman year, and we expect them to step up and lead us this year," Coach Waldrop explained.

### **Looking Ahead Junior High Knights Football**

The FAB Junior High Football Team has several more weeks of practice before their season kicks off at home against Second Baptist School University-Model (SBSUM) in Cypress on Thursday, September 10, 2026.

After a standout performance last year as 7th graders, this year's 8th grade cohort is ready to leave its mark before joining the varsity team.

"Our 8th grade group has the potential to be special. They were major contributors last year on the junior high team as 7th graders, and we expect them to have even more success this year," Coach Waldrop said.

Overall, Coach Waldrop expects the team to work hard and honor Jesus every day. "If you do those 2 things, everything else will take care of itself!" he said.

### **Lady Knights Ready to Set Spike and Hit Their Way to State**

As the Lady Knights take to their home court for the annual FAB volleyball tournament, they have already been challenging themselves. The team played

strong against one of UIL's top 1A teams, Fayetteville, and battled tough competitors at the Kecia David Memorial Tournament in Columbus.

Head Volleyball Coach Gabrielle Bebee said she pushes the high school team to compete in high-level, fast-paced games.

Every practice is aimed at one thing: another shot at state.

"The high school team has been a lot more focused this year. I think because we were so close to the state championship last year, the girls this year are hungry for another shot at the title," Coach Bebee said.

*The FAB Lady Knights are working daily to make it to the state championship.*

At the FAB tournament, the Lady Knights finished their initial bracket in first and played hard to place second in the championship game against Emery/Weiner School.

This year, the FAB Junior High is blessed with a big group of girls who are energized

about volleyball. Coach Bebee takes a different approach at the junior high level, focusing on building the foundation that will serve the team as they move into high school. They play a slower game focused on developing the game's technique and perfecting their skills.

The junior high volleyball team kicks off its season on Monday, August 31, 2026, against Berean at the Beth Keaton Gymnasium at Faith Academy Bellville.

Both teams are bringing the "work ethic, grit, and determination necessary to become better every day," Coach Bebee said.
