# WHAT'S COOKING IN THE KITCHEN WITH GINGER & LAURA

Welcome to the New Year! As we step into the new year, we've been having a lot of fun trying out some exciting new menu items in the kitchen. In December, we added Enchiladas and Tamales to our popular Taco Tuesday menu, and the kids were thrilled to try something new. We even had a funny moment with the tamales — some of our elementary students tried to eat them with the corn husks still on! Once they discovered the husks come off, they happily dug in and agreed they were delicious. Along with Taco Tuesday, we also served Pozole, which was a big hit with both the students and our staff. In January, we introduced Enchiladas Verde, and they were another student favorite. With the cooler weather upon us, we've been enjoying the opportunity to get creative and bring new, exciting ideas into the kitchen. We've also started fusing fresh fruits into our desserts, creating some tasty treats for everyone to enjoy. We're looking forward to a successful and delicious rest of the school year and can't wait to continue sharing new flavors with our students! Thank you for your continued support!

**Pozole**

- Pork Roast
- Secret Sauce
- Hominy
- Cabbage
- Onion
- Lime
- Fresh jalapeños

Chips

**Curious what we put in our Pozole?**

A pink notepad with a list of ingredients for Pozole. The list includes Pork Roast, Secret Sauce, Hominy, Cabbage, Onion, Lime, and Fresh jalapeños. Below the list is the word "Chips". To the right of the notepad is a pink speech bubble containing the text "Curious what we put in our Pozole?". Below the speech bubble is a bowl filled with Pozole, a traditional Mexican dish made of hominy and meat.

- Bananas are actually berries.
- Raspberries are members of the rose family.
- Fruit is a main ingredient in jam while fruit juice is a main ingredient in jelly.
- Broccoli contains more protein than steak.

# Flu Season is Here

Dear Parents,

Cold and flu season is upon us. Faith Academy kindly asks that you keep your student home if he or she is not feeling well or is exhibiting any flu-like symptoms including, but not limited to fever (temp 100+), cough, sore throat, body aches, headache, chills, fatigue, vomiting, and diarrhea.

Your cooperation helps ensure the health and safety of all our students and staff.

## Tips for Students to Stay Well

**Frequent Hand Washing**

**Stay home when you are sick**

**Fortify your immune system- fluids, rest, healthy diet, exercise**

**Avoid sharing personal items to prevent the spread of infection. Avoid touching your eyes, nose, and mouth.**

## Faith Academy Illness Policy

### 4.02-8 – FEVER

Students with a temperature of 100 degrees or above will not be allowed to remain in class. A child may return to class when he or she has been without a fever for 24 hours without the use of fever-reducing medication.

### 4.02-19 – VOMITING AND DIARRHEA

Any child who vomits or has diarrhea will be sent home and should remain home until they have not vomited or had diarrhea for a full 24 hours without the aid of medications. If a child vomits or has diarrhea prior to the start of school, we ask that they remain at home and follow the 24 hour policy.
