# The Knightly News

At Faith Academy Bellville (FAB), we are feeling grateful and blessed after another wonderful Night of Knights celebration and fundraiser. Our 28th Night of Knights would not have been possible without many staff and parent volunteers, sponsors, donors, and attendees. Your participation and continued support of FAB help us promote Christian education not only in Bellville but also in the surrounding areas. FAB strives to be a place where the Light of the World, Jesus Christ, lives in and enlightens those who teach and learn.

More than 350 friends of FAB celebrated God's love on Valentine's Day at the Austin County Fair Expo Center, which was transformed into an elegant gala adorned with the Night of Knights theme, "Diamonds and Bows." Everyone enjoyed a hearty steak dinner catered by Big Boys Catering of Giddings, followed by a high-energy performance and dance lessons by the Aggie Wranglers, Texas A&M's country dance troupe. Silent, live, and dessert auctions offered everything from adorable puppies to decadent treats, giving guests the chance to support the school while taking home unforgettable experiences and items.

Many generous community members and businesses contributed wares and services to the auctions. We want to thank local ranchers who donated livestock, as well as hunting and fishing guides, and our own rodeo stars who offered exclusive experiences as auction items. From Bellville to Katy, Brenham, and Chapel Hill, local stores, restaurants, veterinarians, dentists, and even a winery donated goods and gift certificates that were sought after in the live and silent auctions. We were overjoyed that local artists shared their beautiful creations, which now light up their buyers' homes. We also had donations from as far as Louisiana and Colorado!

Speaking of artists, our student artists and their art teachers handcrafted both stunning shadowboxes featuring inspirational, spiritual art and intricately crafted vases filled with beautiful floral arrangements. Our Elementary Survive & Thrive students also created handmade items that showcased the skills they've learned this year, including sewing, detergent-making, and woodworking.

The bakers outdid themselves, serving up irresistible cookies, cakes, and pies at the dessert auction, guaranteeing everyone walked away with a favorite treat.

Months before Night of Knights, FAB students sold raffle tickets for a Kubota utility vehicle, a mower, or \$500. We appreciate the support local businesses provide to promote this vital fundraiser, as well as the family, friends, and community members who buy tickets year after year.

Faith Academy would also like to extend a grateful thank you to all of our sponsors:  
The 10 Carat: Buck Ferguson Originals and Branded Designs  
The Marquise: Cobblestone Cottage and Austin County State Bank  
The Red Rose: Southern Comfort Cooling, John DeVoke, Seidel Schroeder  
The Sweetheart: The Goodwin Family  
Thank you all once again, and we give all the praise and glory to our Heavenly Father for the success of our school and this event.  
Faith Academy Bellville

Lori McDaniel, the FAB Fundraising Director and organizer of Night of Knights, with the Aggie Wranglers, who provided lively entertainment at the Valentine's event.

## 6th Grade Field Trip

Our 6th graders had an incredible time on their recent field trip to the Houston Museum of Natural Science! The day was packed with new adventures and hands-on learning as students moved through the exhibits. A favorite for many was the Cockrell Butterfly Center, where students walked among hundreds of beautiful butterflies including some newly hatched in the center. This was also where they were able to get up close with live hissing cockroaches which was an experience that received very mixed emotions among the students! They also explored the fascinating "Death by Natural Causes" exhibit, which had all of the students talking long after leaving the museum. In the Matter & Motion exhibit, they interacted with hands-on displays that brought physics concepts to life. Overall, the trip was a wonderful opportunity for students to connect with real-world science in a fun and memorable way.
