ELEMENTARY INFORMATION

WEEK OF MARCH 25TH

We have a busy few weeks ahead! Please review weekly newsletters and emails for upcoming events.

A few reminders:

Easter Parties are this Thursday, March 28th. Parents who are attending must sign in at the main office prior to entering Building 2.

Please continue using your dismissal tags and remain off your cellphones during car line. This ensures the safety of our students and staff.

You can access lesson plans and student grades using FACTS.

Re-enrollment is open! You can secure your student's spot for the 24-25 school year.

Important Upcoming Dates:

March 28th: 5th Grade Science Fair

March 28th: Easter Parties @2pm

March 29th: Holiday

April 1st: Holiday

From Ms. Guardia and Mr. Dawson.....

Miss Guardia's and Mr. Dawson's 5th grade class had the privilege of visiting San Felipe de Austin State Historic Park this past Wednesday!

The original town of San Felipe de Austin was the hub of the first land grant that Stephen F. Austin acquired from the Mexican government, led by General Santa Anna. This town was where many of the "Old 300" families began their Texas journey! We visited the rebuilt location where, in 1823, Stephen F. Austin established a headquarters for his colony in Mexican Texas. This was the colonial capital of Mexican Texas, and was the first choice for the capital city, before Washington on the Brazos. San Felipe de Austin State Historic Site and museum share the stories of early settlers in this region. We walked in the footsteps of these early pioneers at what was the social, economic, and political center of American immigration to Texas before independence. San Felipe de Austin didn't survive the war for Texas independence—it was burned by its own residents as they evacuated during the Runaway Scrape on March 29th, 1836!

We had the honor of learning so many incredible things about colonial Texas, and the road to independence! Our students got to view original artifacts from the colony, including the writing desk of Stephen F. Austin, and dominoes belonging to William Barret Travis (who practiced law in San Felipe prior to his death at the Alamo! We also learned about the archaeology going on at the historic site, and learned how to sort through different pottery fragments. The students learned how to be a land surveyor in colonial Texas, as well as how to prepare to fire a cannon! We visited the local printing press, the bread kitchen, as well as the meetinghouse/courtroom of San Felipe de Austin, and had a tour of the beautifully remodeled museum.

The tour guides and volunteers were all so helpful and kind! This is a beautiful historic site, and an integral element of Texas history. Much fun was had by all!

San Felipe de Austin Historical Park
