Sophomore Field Trip to Sandy Creek Ranch

Article by Sophomores Iris Jackson, Peyton Eckermann & Cody Martin

Faith Academy's sophomore class recently visited Sandy Creek Ranch, which offered hands-on learning, fresh air, and enjoyable experiences that provided us with a deeper understanding of ranch life.

We started the day with a warm welcome and some delicious kolaches and donuts provided by the ranch. Then, we kicked off our tour by learning about the various types of feed used for cattle. It was fascinating to discover that each stage of a cow's life requires a specific kind of feed to ensure proper nutrition and growth.

Next, we explored the ranch's impressive tractors and equipment. Everyone had the chance to hop inside and see how the machinery works up close. A hayride took us out to the back barn, where we learned about an innovative, eco-friendly method of growing grass called fodder, a form of hydroponics.

We also saw how different feeds and hay are mixed using a bale converter—a powerful machine that prepares feed for the cattle. We even climbed up to get a look inside the bale destroyer!

Our journey continued through the tractor shop, where we viewed various tools and machines. Along the way, we spotted a barn full of hay bales and couldn't resist jumping on them. Naturally, we took a fun group photo!

The tour brought us to the garden area, where we met the ranch owner, Mr. Sorenson. He shared what kinds of products they use to grow healthy vegetables, and we even got to taste a few fresh samples straight from the garden.

After that, we visited the barn to meet the ranch's friendly goats and donkeys, followed by a stop at the horse stables, where we fed and interacted with the horses. Then it was time for a delicious lunch made from the ranch's own farm-raised meat—truly farm-to-table!

In the afternoon, we learned about the tools and techniques used for horseshoeing and visited the covered pens to meet the steers. Each of us had the opportunity to try freeze branding, a safe and modern method of cattle identification.

To wrap up our educational experience, the cowboys collected samples and showed us how to examine sperm count under a microscope—a fascinating glimpse into ranch breeding practices. Finally, a fun quiz tested what we learned. Winners took home ranch hats, and we all gathered for one last photo to say a "big thank you" to our incredible hosts.

WESTERN DAY

2025

FUN AT FAITH ACADEMY

The Elementary and Early Childhood (EEC) students had a blast celebrating Western Day on Wednesday morning, just before heading off for their extended Austin County Fair break. It was a day full of buckles, boots, and cowboy hats—a rootin', tootin' good time made possible by the incredible collaboration of staff, parents, and volunteers. EEC students kicked off the festivities with a hayride and an exciting barrel train ride around campus, cheerfully waving at everyone they passed. They explored their very own pumpkin patch and enjoyed a variety of games and tasty snacks throughout the day. Meanwhile, elementary students got to pan for gold under a canopy of trees and practiced their roping skills with the help of a talented crew—getting ready for the next big cattle round-up! A fan-favorite activity was the rugged hayride across open terrain, giving students a true taste of the Wild West. Two brand-new events had everyone in stitches: the Boot Race, where students donned oversized cowboy gear for a hilarious relay, and Campfire Snacks, where they matched game supplies to earn their badge and enjoy a well-earned treat. Ms. Guardia led a spirited Land Rush, where eager pioneers raced to stake their claims for supplies and land. The excitement continued with the Wagon Wheel Roll, a fast-paced competition to see who could roll their wheel the fastest. Another highlight was Snake in My Boot, where students enthusiastically tossed rubber snakes into boots—earning plenty of cheers and laughter. After a group photo by the hay wagon and a refreshing stop at the watering hole, students headed inside to boot, scoot, and boogie with some fun line dancing. It was a knee-slappin', fancy-free time that would've made even Cotton-Eyed Joe want to join in! To close out the day, everyone gathered around a smokeless campfire, where the ranch manager entertained with tall tales and a special cowboy poem. It was the perfect ending to a memorable day filled with laughter, learning, and strong community spirit.

Celebrating Knights' Achievements

10.29.25

At Faith Academy Bellville, we work hard and love celebrating our work, too! This week, we celebrated academic achievement and our treasured Class of 2026 seniors on the Lady Knights volleyball team.

Faith and Achievement Come Together at Chapel

Following the conclusion of each nine-week grading period, we gather on a Monday for a special edition of our weekly Monday morning chapel and invite guests to our Awards Chapel celebration.

Awards Chapel begins with worship led by the Faith Academy Worship Band, encouraging students, teachers, and guests to come before the Lord with thanksgiving, any needs, and an open heart. The Faith Academy Director of Kindergarten through 12th Grade also shared a special message of perseverance in the face of unexpected challenges, a message that was valuable to both students and adults in the room.

Then the celebration begins! Students are recognized by grade level for achieving A Honor Roll, A & B Honor Roll, and Perfect Attendance. Parents take the opportunity to take photos and mark the moment.

As our mission statement says, Faith Academy seeks “To be a place of encouragement and excellence in academic and character training where The Light of the World - Jesus Christ - lives in and enlightens those who teach and learn.”

Senior Night Spotlights Student-Athletes and Their Families

The High School Seniors are experiencing their launch into the next stage of their God-given journey. We enjoy celebrating these milestones alongside them and providing opportunities to shine the spotlight not only on these fantastic students but also on their supportive families.

On Thursday, October 23, at the last regular volleyball game of the season, we took a moment to recognize Louisa Morrison, Hayley Gillen, Daniela Skardenni, Josie Eckerman and their families. It has been a fantastic season, and everyone is looking forward to the playoffs.

As the weather promises to cool down, we look forward to more fall festivities like our annual Pumpkin Parade. Each year, Kindergarten, First, and Second-grade students decorate a pumpkin in the likeness of a favorite book character. It's a fun event celebrating these young learners' love of reading.

Community Wellness Program Continues Through November

Our Masterclass Program: Your Body, God's Temple, with our own Dr. Monte Kimpel, continues each Tuesday in person and via Zoom starting at 3:30 p.m. through November 11. Dr. Kimpel shares a research-based program to maintain and improve brain health. It's free and open to the public. Join us! Call 979.865.1811 for more information.

We thank God for the rain and the gradual arrival of cooler fall weather.

Freshly Painted Crosswalks – Keeping Our Students Safe!

We're excited to share that our school has recently had all crosswalks on campus freshly painted! These bright, clearly marked crossings will make it easier for students, families, and staff to move safely around the school grounds—especially during busy arrival and dismissal times.

We kindly remind everyone to use the designated crosswalks and remain alert when driving through the school zone. Thank you for helping us keep our campus safe for everyone!

Epiphani
and Daniel

SHINING THE LIGHT OF JESUS

When an 11-year-old girl in the western African country of Ghana learned about Jesus through Samaritan's Purse programs Operation Christmas Child and *The Greatest Journey*, she decided to follow Him as Savior and boldly share her faith. The girl's name is Epiphani.

"Through the program, I now know who Jesus Christ is," said Epiphani about *The Greatest Journey* follow-up evangelism and discipleship program for shoebox recipients. "The classes changed my life. I put my trust in Jesus."

Shining the light of Jesus Christ in her community led Epiphani to notice a boy picking through trash for metal scraps to sell for food. She gave him the Operation Christmas Child shoebox gift she had received—filled with items such as pencils, books, and a pair of blue sandals. She had loved the gift but decided that the boy named Daniel needed the treasures more. He wears the sandals nearly every day.

Daniel was so intrigued by Epiphani's thoughtfulness, as well as her excitement and love for Jesus, that he accepted her invitation to attend church and began studying the Bible. Before long, Daniel gave his life to Christ. He plays drums during the church's worship services.

After Daniel told his mother about Jesus, she also accepted Jesus as Savior and became part of the church. Praise God for how He is shining His light into families, beginning with boys and girls who are making disciples by sharing the gift of Jesus Christ.

Scan to hear
Epiphani's
testimony.

WHAT WILL I PACK?

Gift-filled Operation Christmas Child shoeboxes are delivered together with **the Good News of Jesus Christ** as expressions of God's immense love for a child. *So, be sure to make them ...*

FUN: Include a quality "wow" item to delight the child, such as ...

- Soccer ball with pump
- Doll
- Stuffed animal

FULL: To fill empty spaces, add school supplies and personal care items, such as ...

- Pens, pencils, crayons, and notebooks
- Sunglasses
- Flashlights

PERSONALIZED: Make sure every shoebox is unique and covered in prayer.

Include a note of encouragement and photo of you, your family, church, or group to further personalize the gift. These personal letters often are children's favorite shoebox items!

KINDERGARTEN FIELD TRIP TO DEWBERRY FARMS

Our kindergarten field trip to Dewberry Farms was a great day! We started the day with a train ride. The kids had a wonderful time looking at all the different Christmas trees and attractions that Dewberry offers.

The students visited the barn where they were able to see chickens, turkeys, donkeys, goats, peacocks, an alpaca, and cows.

We ventured into the corn maze and spent a lot of time finding the exit. The students loved the twists and turns, and there was a lot of laughter!

The students were able to play on the slides and playscapes. They enjoyed running and climbing on the ramps.

It was so fun to see the students and parents having a wonderful time on all the different attractions that Dewberry provides.

God blessed us with a beautiful day and perfect weather! *Thank you to the parents who were able to join us!* And to Coach T for driving us safely to and from! It was a fabulous day!

During the Report Card Check Ins on October 15th, the FAB National Honor Society held their bi-annual blood drive. The Gulf Coast Regional Blood Center set up in our events center and drew blood on 24 participants. This was a much needed blood drive and it resulted in 22 whole blood and plasma donations with 2 double red cell donations.

FAB is hosting a Spring Blood drive on March 18, 2026. We will remind everyone and advertising will be up shortly after the Christmas break. The FAB National Honor Society encourages all those interested in giving blood to register in January/February 2026 and mark the March date on your calendar. Please spread the word!
