THE KNIGHTLY NEWS

BEFORE THE SUN COMES UP: FAB CROSS-COUNTRY HITS THE GROUND RUNNING

Cross-country may be an individual sport, but it takes a village to support these fierce athletes as they train in the Texas heat before sunrise and then compete against strong runners from across the state. The leader of that village is Coach Ann "Howie" Howarth, who is there for the whole journey, kicking off practice in August and continuing until the state meet at the end of October.

A SMALL TEAM WITH BIG GOALS

After several longtime cross-country team members graduated last year, the team is rebuilding this season, with one high school runner and six from the junior high.

"My veterans graduated, so I'm starting totally over," Coach Howie said. "We have one high school young man, Quinton Moore, and he's doing so well! His dad ran him a lot over the summer. He has come back in such good shape. He started the season in the top 20 at meets, moved to the top 15, and now top 10."

Coach Howie said the junior high runners are also off to a great start this season, with all athletes easily placing in the top 20 at the meets so far.

Junior high runners Cambry Courville and Eva Broadbent representing the Knights.

As she prepares the team for the meets ahead, Coach Howie encourages them to focus on long-term goals for the season. Quinton is running to place in the top 10 at state, while the junior high runners work to improve their times and place at each meet throughout the season.

Junior High students Wyatt Ferez and Knox Reynolds make their way through the crowd of runners.

MILES BEFORE SUNRISE

The gains do not come easy. Before their classmates even started thinking about getting up early again for school in August, the FAB cross-country team was up and practicing at 6 a.m. Each week, the team practices Monday through Thursday at different locations, including the hills at Clark Park in Bellville, intervals at B&PW Park in Sealy, a dirt road, and the perimeter of the Bellville Golf Course, to build skills and endurance on all types of terrain.

"They're working hard because I don't make workouts easy. They're handling it, and they seem to enjoy it," she said. "We're small, so we get to know each other and have a connection."

BEFORE THE SUN COMES UP: FAB CROSS-COUNTRY HITS THE GROUND RUNNING

The workouts may be tough, but her runners know how much she cares. Coach Howie builds close relationships with each of them, and that devotion is on full display at the Athletic Awards Ceremony. As she announces each athlete, she captivates the guests with a story about that runner's journey, sharing details of their season only a fully present coach would know.

FROM THE SHOW RING TO THE STARTING LINE

When Coach Howie grew up in San Antonio, her school offered only swimming, golf, and tennis to girls, but she wasn't interested in any of them. Her passion was horseback riding—both Western and English style—but she preferred English. Coach Howie fondly recalled traveling to Kentucky with her mom to pick out an English gaited horse, which she rode in the show circuit. Horses were her thing, she said.

The 2026 FAB Cross Country Team L to R: Coach Howie, Corbin Stodder, Knox Reynolds, Wyatt Ferenz, Eva Broadbent, Giselle Schultea, Cambry Courville, Quinton Moore

Although Coach Howie ran only for fitness and was never a competitive runner, she later served as a coach and assistant coach for cross-country, track and field, and volleyball teams at public high schools in Houston and San Antonio.

If not for her horse, Coach Howie might not have known about Faith Academy. After her coaching stint ended at Lamar High School, Coach Howie noticed Faith Academy as she drove through Bellville on her way to ride her horse in Cat Spring. She applied for a coaching job, and for 15 years now she's coached cross-country and track and field teams, along with volleyball for part of that time.

During her time at Faith Academy, Coach Howie has coached girls' individual TAPPS 1A state champions in 2015, 2016, 2017, and 2018. Under her guidance, a boys' runner finished as state runner-up in 2024 and 2025, and several other Knights have earned top-10 finishes at state.

Knox Reynolds and Wyatt Ferenz show off their hard-earned hardware.

IT TAKES A VILLAGE

The Faith Academy competition schedule began with the Sealy Friday Night Lights meet in August and will end at the high school state meet on October 26, 2026. Faith Academy will host its annual cross-country meet on October 10, 2026, with 17 schools coming to our campus to compete.

THE KNIGHTLY NEWS

BEFORE THE SUN COMES UP: FAB CROSS-COUNTRY HITS THE GROUND RUNNING

Meets start early to beat the heat, but that doesn't stop the junior high families from arriving in time to cheer on Quinton in the first race of the day. Then Quinton and his family return the favor, staying to cheer on the junior high runners later in the morning.

"It's a very hard sport. You need people supporting you. The parents do a great job. The whole team enjoys watching and cheering for each other," Coach Howie said.

Come out early to support the Knights and all the other dedicated, hard-working runners at the Faith Academy meet on October 10, 2026. Shields up!

The whole FAB student body, teachers, and staff cheered the 2026 FAB Cross Country Team on at a recent pep rally.
