

Faith Academy Booster Club

FA Booster Club would like to welcome all 2022-2023 Families. Booster Club is FA sports organization that is for all parents that have athletes that compete at Faith Academy. All FA parents are required to participate and work with the Booster Club and sporting events. We have monthly meetings on the second Monday of each month at 6:00pm.

Purpose of the Booster Club is to support all needs for the FA Sports Programs. Booster Club is responsible for all costs required for the sports programs for our athletes. Our goal is to raise money to support the costs for the season and to be able to plan for the growth of our sports program as a school. This is done with sport fees as a starter however this does not cover all the expenses of the program. We supplement the expenses by doing fundraisers throughout the year.

The following are this year's Booster Club Fundraisers:

- Gates Fees
- Concession Stand
- Spirit wear
- Signage sponsorships at the fields.
- Court Side Chair
- Cross Country meet
- Volleyball tournaments
- Clays for Faith Clay shoot (April 22, 2023)

The Booster Club is run by a Board of Directors voted on at the end of each year by the parents. The Booster Club works with the Athletic Director to ensure all the needs are met for the teams and coaches. This year's Boards is as follows:

Jeff Johnston – President

Greg Yates – Vice President

Heather Maddox – Secretary

Kenneth Woodley – Parliamentarian

If you have any questions, you can contact Jeff Johnston at 281-636-7075 or jrj83@outlook.com. If you have something that you would like to bring up in the meeting we request that you submit 48 hours in advance to allow for proper preparation for our meetings.
