FAITH ACADEMY BELLVILLE 12177 Highway 36 Bellville, Texas 77418

Position: Falcon Director

The FALCON Center strives to provide the best, most up to date, research based, proven modalities in neurodevelopment to help our members reach their greatest learning potential. FALCON staff members faithfully serve our school & community to help our members grow & challenge themselves academically, physically, & spiritually.

The FALCON Director leads a team that is trained in the latest techniques of neurodevelopment. The team provides assessments & develops individualized plans to enhance the learning environment for members of all ages. This team also includes a reading specialist, speech therapist, & accommodations director. The ideal candidate should have top notch communication skills, be highly organized, with an eye for detail. This role is a direct supervisor who ensures staff members are trained in & utilizing the appropriate techniques, oversees scheduling, & is in constant communication with staff, teachers, students, & parents. Other responsibilities include determining academic accommodations for students, as well as, administering/overseeing state vision & hearing screenings. Experience with neurodevelopmental programs is a plus.

I have been crucified with Christ and I no longer live, but Christ lives in me. The life I now live in the body, I live by faith in the Son of God, who loved me and gave himself for me.

-Galatians 2:20
