

# What is **Focus 4** at Faith Academy of Bellville?

**Mission Statement:** To identify and foster opportunities for positive and solution-minded parents striving to develop programs and activities at Faith Academy of Bellville.

This is an outlet for parents to share their ideas for Faith Academy as parental feedback and insight is highly valued by the school. Focus 4 is divided into five groups across the 4 campuses with each group having two representatives. These co-chairs will be liaising with parents to implement their proposed ideas if approved by the FA board.
