

What is **Focus 4** at Faith Academy of Bellville?

Our Mission Statement: To identify and foster opportunities for positive and solution-minded parents striving to develop programs and activities at Faith Academy of Bellville.

This is an outlet for parents to share great ideas for Faith Academy. Since most of the time ideas and needs will differ based on grade level, there are 4 groups. Two parents have volunteered to co-chair each group and will be liaising with parents to implement their proposed ideas.

Kinder – 2nd grade: Brenna Smidt and Tori Fisher

3rd – 5th grade: Amanda Feiertag and Whitney Dorton

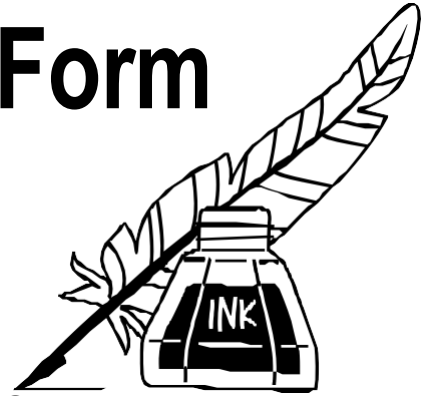

Junior High: Alyson Hyslop and Heather Maddox

High School: Kacy Kuespert and Tiffany Johnston

Examples of ideas brought to the Focus 4 that have already been implemented:

- Senior Painted Parking Spots
- Watch Dog Dads
- Night Lights
